Big FAIL, super thirsty, new shoot this week coming.
Unbelievable #smsaudio #Animal Ambition

"The Pilot" rapper admitted that he only shot a music video with the video vixen and she's only using his name to generate buzz.

50 writes:

Fif went to Instagram to vent on the matter, dubbing Sally a "Thirsty video b*tch." He continued expressing his belief that Sally had sent photos to Mediatakeout to boost her buzz and also warned the industry not to work with her. He then added another caption under the photo, advising everyone that a new video is on the way. "Big FAIL, super thirsty, new shoot this week coming. Unbelievable #smsaudio #Animal Ambition."

Sally Ferreria took to her Instagram to respond to the allegations made by 50.

She writes:

"I would like to extend my gratitude to all of my family and friends, in and out of the entertainment industry for the continued support during these difficult times. My team and I will take the mature and professional route in dealing with the false and cruel allegations that were made this week by a very prominent industry voice via several media outlets. Our goal is for the truth to be known and undo the defamation it has caused. Thank you."

50 Cent puts one of his video vixens on blast for reportedly sending out pictures from a video shoot, and claiming they were a couple.

50 Cent (<http://www.hotnewhiphop.com/50Cent/profile/>), never one to shy away from beef whether it be fully-formed or just on the precipice, takes aim today at one of the video girls he hired to shoot a visual off the forthcoming *Animal Ambition* album.

Fiddy has really been on his video game as of late, releasing music videos for *Animal Ambition* cuts "Pilot" (<http://www.hotnewhiphop.com/50-cent-pilot-video-new-video.27000.html>), "Don't Worry 'Bout It" (<http://www.hotnewhiphop.com/50-cent-don-t-worry-bout-it-video-new-video.26833.html>), "Hold On" (<http://www.hotnewhiphop.com/50-cent-hold-on-video-new-video.26827.html>), and "The Funeral" (<http://www.hotnewhiphop.com/50-cent-the-funeral-video-new-video.26160.html>)-- basically almost every leak he's dropped off the project has received the visual treatment.

Today the rapper took to his Instagram account to warn people about one particular video vixen, whom he calls out by name, Sally Ferreira. Apparently because this chick let go photos from their video shoot, 50 is re-shooting the video this week. He doesn't clarify as to which song the visual was for.

"Big FAIL, super thirsty, new shoot this week coming. Unbelievable #smsaudio #Animal Ambition," 50 captioned the photo of Sally along with more warnings: "WARNING Do not attempt to work with this thirsty video bitch she sent photos of the video shoot to MediaTakeOut saying I'm in a relationship with her. CAN ANYONE SAY RESHOOT"

MediaTakeOut did indeed post a photo of 50 Cent riding the subway with the girl, his arms around her waist, thus

making it seem as though it's candid photo (but in reality it's a still from the 'shoot). See the image from MediaTakeOut above, as well as 50's Instagram post below.

[Edit: 50 Cent has taken down his Instagram post, however the image he posted can still be viewed in the gallery above.]

It looks like 2 Chainz isn't the only one putting video vixens and groupies on blast. According to new reports, 50 is fed up with a video vixen by the name of Sally Ferreria. He claims Ferreria has been telling blogs she's dating 50 and he took to Instagram to shut down the reports. He also said he only shot a music video with the video vixen and she's only using his name to generate buzz.

XXL writes:

*Fif went to Instagram to vent on the matter, dubbing Sally a "Thirsty video b*tch." He continued expressing his belief that Sally had sent photos to Mediatakeout to boost her buzz and also warned the industry not to work with her. He then added another caption under the photo, advising everyone that a new video is on the way. "Big FAIL, super thirsty, new shoot this week coming. Unbelievable #smsaudio #Animal Ambition,"wrote 50.*

Sally Ferreria took to her Instagram to respond to the allegations made by 50 and she writes the following on her Instagram account:

I would like to extend my gratitude to all of my family and friends, in and out of the entertainment industry for the continued support during these difficult times. My team and I will take the mature and professional route in dealing with the false and cruel allegations that were made this week by a very prominent industry voice via several media outlets. Our goal is for the truth to be known and undo the defamation it has caused. Thank you.
